Property Description

Discover Les Chalets de la Massouderie 2, a new development of 2 luxury detached chalets. Nestling in the heights of Les Gets, you'll love their location in the heart of a calm, unspoilt environment. These chalets have been built by a well-known local builder. The combination of wood and stone is a concentrate of authenticity and elegance.

Just 5 minutes from the centre of the resort and the slopes, they boast stunning mountain views.

The interiors are light and airy, and the layout has been designed to make family life as comfortable as possible. Each of the two chalets has a large living area, with an open-plan kitchen opening onto the living room with fireplace. Deep, south-facing terraces let you make the most of a unique setting in the heart of the Portes du Soleil.

This 3-storey chalet (284 m²) has 4 large en suite bedrooms with dressing rooms. One of them is a master bedroom.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
