Property Description

Hidden behind a discreet door, out of sight in a sought-after residential area of Tassin, this rare property of over 180m² feels like a home, within a small, intimate co-ownership. From the entrance, the charm works: the garden, like a secret patio, with its wooden terrace sheltered under an elegant bioclimatic pergola, extends the interior spaces and invites you to an art of living indoors and outdoors from the first rays of sun. Facing south, the large living room, with beautiful volumes, unfolds opposite the open kitchen. On the ground floor, there is a beautiful master suite with dressing room and shower room; on the other hand, the children's area with 2 bedrooms, a shower room, office space or storage space as needed. Laundry room and back kitchen complete the comfort of this cocoon. A garage and two parking spaces (extra: EUR30,000) complete the features. Optionally, an independent 28 sqm studio with exterior can also be acquired: ideal for a rental project, a teleworking space, an artist's studio or even a fourth bedroom depending on your wishes. An atypical living space, in absolute calm, to discover as a confidential interlude in the heart of urban life. Property subject to the status of co-ownership: 7 lots including 5 residential lots. Estimated average amount of annual energy expenditure for standard use, established from 2021 energy prices: between EUR2,460 and EUR3,380

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
