Property Description

Located in Reyrieux, in the heart of Dombes and just 30 minutes from Lyon, this renovated farmhouse, built on a landscaped plot of 3,850 sqm, offers a generous 310 sqm of living space. Composed of several distinct volumes, this property offers remarkable potential for a family home or a guest house project. It has 4 closed garages and numerous outdoor parking spaces, as well as a swimming pool nestled away from view.

The interior spaces reveal a subtle balance between authenticity and modernity. Old beams and high ceilings define the soul of this building, while the large openings ensure beautiful light. The volumes are generous and well distributed: a vast living room, a fully equipped kitchen, several bedrooms including a master suite, as well as multipurpose spaces that can accommodate an office, a workshop or a games room. Every corner invites projection, the adaptation of a contemporary lifestyle in a setting steeped in history.

Outside, the property opens onto a large, carefully maintained garden with trees. The swimming pool becomes a privileged relaxation area during the summer months. A shaded terrace extends the living spaces and allows you to fully enjoy the surrounding calm of this bucolic and intimate setting. With its rural charm, its quality services and the rarity of its volumes, this farmhouse embodies an atypical property, full of character. A unique place for lovers of authenticity and living spaces. 4 closed garages and numerous parking spaces.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
