Property Description

Renovated house with 6 bedrooms, spacious living room, semi-open kitchen. In the north of Burgundy. Large barn across from the courtyard and other outbuildings. Swimming pool. Ravières is nearby with shops and a train station. The house is quietly located on the edge of a hamlet. It overlooks a forest and lower-lying neighbors.

Just a few kilometers from Ravières, next to the Canal de Bourgogne and the Véloroute, 7 km from the Nuits-Sous-Ravières train station and 10 km from the Montbard T.G.V. station, in a quiet village, property (7,300 m² in total) with no overlooking neighbors and an unobstructed view, including a T8 house of 235 m² living space with a swimming pool, grounds, and outbuildings.

Access to the property is through an electric gate that opens onto a 620 m² courtyard. On the ground floor, there is a living room (43.5 m²) with a wood insert and two French doors opening to the terrace/pool, a semi-open kitchen (17.6 m²) adjoining the living room, a "master suite" bedroom with a shower room/W.C., a dining room (17.2 m²) with an independent entrance door, currently used as a dining area for guests as the property is currently listed as a guesthouse. A cellar (20 m² on the ground) is located under the dining room (access from the living room).

Upstairs, a side corridor with windows facing the pool leads to 5 independent bedrooms (18.2 m², 17.4 m², 17.2 m², 14.8 m², and 19.2 m²), a toilet room (4.8 m²) with double sink, adult W.C. and child W.C., and a bathroom (11.1 m²). Level 2 consists of attic spaces. A thermodynamic water heater (270 l) is located in the laundry room (7.7 m²), and the adjoining boiler room (11.7 m²) contains the pellet boiler and the pellet storage silo (6 tons).

In front of the house entrance are buildings (approximately 135 m² on the ground) including garages, a barn, a stable, a workshop, a secure well, and storage areas that can be renovated above, with the roof featuring 30 solar panels (9 kw). On the living room's French door side, there is a fenced plot/garden (approximately 2,000 m²) that includes a terrace, a heated swimming pool (36 m²) with a secure electric cover, and the technical room.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
