Property Description

Beautifully renovated former farmhouse, with possibilities for multiple gîtes, guest rooms, as a large family home, or even as a group accommodation. The entire property is sold furnished and decorated.

Originally a farmhouse, this property has been fully modernized and renovated into a lovely family home. There are several possibilities for renting out gîtes and/or chambres d'hôtes. The entire property has been recently completely renovated, including the replacement of all windows (double glazing), heat pumps, boiler, and insulation. It is move-in ready and situated on a spacious plot with 3 garages and a large hangar. An outbuilding can still be converted into a guest house. The house features a large eat-in kitchen, a spacious living room with a fireplace, a pool room, a fitness/sauna space, 4 bedrooms, a gîte, and 2 bathrooms. The 2 bedrooms and the gîte upstairs are separately accessible via the garden, providing opportunities for tourist income. In addition to the house, there is a large workshop, a garage, and goat pens on both sides of the house. Near the entrance of the property is an outbuilding with a vaulted cellar that can also be converted into a guest house or similar. In front of the house is a large hangar, currently used for storage and parking. There are terraces at both the front and rear. A cellar of 39.6 m² is located beneath the house. Behind the house is a large barn (equipped with water and electricity) measuring 164 m². The entire property has a beautiful spacious (insulated/finished) attic with terracotta flooring (98 m²).

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
