Property Description

New Build Villa Benitachell Cumbres Del Sol for sale on Costa Blanca.

NEWLY BUILT LUXURY VILLA IN CUMBRE DEL SOL

In the paradisiacal area of Cumbre del Sol, on the Costa Blanca North, a villa with spectacular sea views has been projected. This is a newly built villa on one of the best located plots of land in the Cumbre del Sol residential complex. The incredible views from this plot are a real feast for the senses and the main feature of this villa.

The blue of the sea is integrated with the white of the façade, the raw and indigenous stone present in the walls that terraced the land, marking the exterior lines of the house and integrating it into the environment.

The New Build villa is divided into 3 heights and all the rooms face the sea, integrating it into the house through large windows. The interior spaces are generous, especially the day area, which consists of a large open space, allowing residents to be together, rest, cook or simply relax while contemplating the spectacular sea views that the villa offers.

Given the temperate climate we have on the Costa Blanca North, the exterior of the house plays a major role, as it becomes an extension of the living room, with large porches, barbecue, spacious terraces, an impressive swimming pool with a large fore-hole, triples the space of this house as the interior and exterior merge into one.

The day floor also houses the bedroom designed as the master bedroom, so owners can enjoy the comfort of having everything on the same floor and booking the other two upstairs bedrooms for children or guests. On the ground floor there is another space available to create what the owner desires, whether it is a gym, an office or a hobby room, from where one can continue to enjoy the main feature of this villa, the spectacular sea views.
