Property Description

New Build Villa Benitachell Cumbres Del Sol for sale on Costa Blanca.

NEWLY BUILT LUXURY VILLA IN CUMBRE DEL SOL

Cumbre del Sol is a place where you can enjoy nature, sun and sea at the same time. This luxury villa offers peace and comfort for the owner to relax quietly with incredible sea views. Could this be your future home?

The design of the New Build villa combines a truly modern architecture in an elegant and functional way. On its façade, characterized by large geometric figures created from straight lines and the shape of cubes, the color white dominates, giving the villa an elegant and minimalist design. Its garden, in 100% Mediterranean style, has stone walls that contribute to the integration of the villa into its environment.

The living space is on the same floor. A spacious kitchen with a central island and equipped with top brand appliances, a large living room and a terrace with stunning views of the Mediterranean Sea.

The living room has a very warm and welcoming design. It consists of a large room, which can be divided into two rooms for privacy.

On the same floor is the master suite with its own bathroom and private terrace, where you can enjoy the good weather and the sea view while staying in your room.

On the lower floor are two large bedrooms, each with its own bathroom and terrace, where you can enjoy the outdoors. There is also a small lounge on this floor, where you can read, meditate or just relax.

The terrace is crowned by an infinity pool, where you can make the most of the sun and spectacular views. It is the ideal place to have an aperitif, have a barbecue with friends or family, or simply take a nap in the sun.
