Property Description

New Build Villa Cabo Roig for sale on Costa Blanca.

NEW BUILD VILLA IN CABO ROIG Newly built luxury villa in Cabo Roig, Orihuela Costa. This impressive villa is our masterpiece, carefully selected from the materials to the captivating patterns that create a sense of timeless beauty in all its spaces. With aesthetic and functional planning in mind, the villa features a meticulously thought-out design that optimizes space and enhances everyday living. The generous windows flood the interiors with pleasant natural light, establishing a seamless connection with the

environment. Living here means enjoying the proximity to the sea, allowing residents to enjoy the relaxing effect of coastal living. In addition, the invigorating sea breezes enhance the charm of this exceptional property. Cabo Roig is a beautiful urbanization on the shores of the Mediterranean in the south of the Costa Blanca, belonging to Orihuela Costa and is one of the most exclusive areas of the Costa Blanca. As the name suggests, Cabo Roig is a headland that juts out into the sea and is therefore surrounded by beaches, all of which have the Blue Flag. One of the main features of Cabo Roig is its low density of constructions, with most of the properties being villas on large plots very close to the coast. This, together with its famous white sandy beaches and the wide range of activities of all kinds related to the sea, the proximity to the La Zenia Boulevard shopping centre and the golf courses of Campoamor and Villamartin, make this town a true paradise and a privileged place to spend a holiday, stay for a long term or even establish your permanent residence. A beautiful and romantic promenade allows you to walk along the entire coastline and connects the adjacent urbanizations. In the future, it is planned to reach the cities of Torrevieja and Torre de la Horadada.
