NEW RESIDENTIAL COMPLEX A SANTA POLA Modern gated residential complex comprising 3 blocks of apartments with large landscaped common areas including a swimming pool with water beds, a playground for children, a pergola and parking for bicycles. The residence has 3 and 2 bedroom apartments, both types include 2 full bathrooms, an open-plan kitchen to the living room, built-in wardrobes, a terrace and a parking space. They have a communal garden, a swimming pool with beach-type entrance, equipped with showers and a large wooden pergola. The garden is landscaped with palm trees and vegetation, all illuminated. In the central part of the pool there is a shallower area where the water beds are located. The municipality of Santa Pola is located on the famous Costa Blanca, south of Alicante and in the Bajo Vinalopó region. The city enjoys an enviable geographical location, surrounded by natural landscapes and a particular microclimate, which offers a mild climate throughout the year. Its urban center is bounded by the castle fortress and the port to the east and west, and is bordered by the Santa Pola Salinas Natural Park and the Sierra and Cabo de Santa Pola, an ancient reef today characterized by its deciduous pine reefs. Santa Pola is 21 km from Alicante, the provincial capital with excellent infrastructure, and 15 km from the "Elche-Alicante" international airport.
