Property Description

New Construction Bungalow Las Esperanzas for sale on Costa Blanca.

NEWLY BUILT SINGLE-STOREY APARTMENTS IN SAN PEDRO DEL PINATAR New collection of exclusive bungalows with avant-garde design, attention to detail and high-quality finishes in San Pedro del Pinatar. The complex consists of 1 and 2 bedroom single-storey apartments, available in different models: models on the first floor with large terrace and direct access to the communal pool and apartments with private solarium. The units offer an open plan living space, combining a kitchen with pantry in some cases, a

dining room and a spacious living room with access to the terrace. The bedrooms have spacious fitted wardrobes and the master bedroom has an en-suite bathroom. The small details make these apartments unique! They are equipped with a pre-installation of natural gas for central heating, a pre-installation for hot and cold air conditioning, the production of domestic hot water through an energy-efficient aerothermal system, a technical lighting system and a ventilation system. All bungalows have a parking space. San Pedro del Pinatar's privileged location on the Mar Menor and the Mediterranean coastline attracts sailing and water sports enthusiasts, with marinas and sailing clubs, while the beaches and natural mud baths attract those looking for sun, sea and sand in complete safety. San Pedro del Pinatar has a well-established community and offers an excellent range of activities, including an indoor swimming pool and sports facilities, as well as a year-round social activities programme thanks to a pleasant winter climate. The benefits of the mud baths, typical of the region, or the calm waters of the Mar Menor, have favoured the growth of Lo Pagán, which currently has all kinds of amenities. In addition, it has an excellent location, just 5 minutes from the Dos Mares shopping centre. Murcia/Corvera Airport is 30 minutes away and Alicante Airport is an hour's drive away.
