Property Description

New Build Villa Aspe for sale on Costa Blanca.

MODERN NEW BUILD VILLA IN ASPE New build villa with modern and innovative design in La Romana, Aspe. Villa with 3 bedrooms, 2 bathrooms, kitchen open to the living room, terrace, private garden with swimming pool and parking space. The villas are pre-installed for hot and cold air conditioning and electric blinds to all windows. In addition, you will have the choice of tiling and kitchen so that the villa is finished according to your own style and color. Near Aspe there is a very special town, La Romana, which is a short walk from our project. La Romana has a thriving economy based on agriculture that surrounds the city and this prosperity is reflected in the picturesque palm-lined streets that are very well maintained. There is a medical centre, several supermarkets, hardware stores, shops, banks, bakeries, restaurants, bars and cafes, as well as a Saturday market where you can buy locally grown vegetables and fresh fish. The area is renowned for growing grapes and producing a wide range of wines that can be tasted in the traditional bars with many local tapas and you can also visit the many bodegas close to the town. Golf enthusiasts will find two excellent golf courses, Font de Llop in Aspe and Alenda Golf in Monforte del Cid, just a 15-minute drive away. The beaches and Alicante airport are only a 30-minute drive away. La Romana is a safe and welcoming place to live and owning a property in La Romana puts you at the heart of an authentic community – with all the amenities you need for everyday living on your doorstep.
