Property Description

New build bungalow Santiago de la Ribera for sale on Costa Blanca.

NEW BUILD BUNGALOWS IN SANTIAGO DE LA RIBERA New construction project of only 10 single-storey apartments, 5 on the ground floor and 5 on the top floor, all with a private pool in Santiago de la Ribera. These apartments will be built to a high standard with a modern, bright and open approach incorporated into the design, with 3 bedrooms and 2 bathrooms. The ground floor properties will have a rear garden and a front garden with swimming pool and the top floor properties will have a solarium with

swimming pool. Kitchen appliances and full air conditioning installation are included. Complex built in a perfect location, Santiago de la Ribera, a beautiful city that sits on the banks of the Mar Menor. It is the coastal area of the town of San Javier and began life as a simple fishing village. It has now become a popular holiday destination, attracting not only Spaniards but also tourists from all over Europe. Santiago has a modern look, although it retains its "fishing village" atmosphere. It has a beautiful promenade, lined with majestic palm trees, and 2 kilometres of wonderful sandy beaches. From here, you can take a boat trip on the calm waters of the Mar Menor, to the La Manga Strip on the other side. The main shopping area is in the town of San Javier, but there are a few shops in the narrow streets to wander through, try to visit on a Wednesday morning when there is a large street market. The villas are within walking distance of shops, bars, restaurants, the Dos Mares shopping centre and the fantastic beaches of Mar Menor, and 20 minutes from the popular Zenia boulevard - everything is within easy reach! Just 30 minutes from the city of Cartagena and the new Murcia International Airport.
