Property Description

New Build Detached House Alicante for sale on Costa Blanca.

Luxurious ultra-modern style villa located in Gargasindi, Calpe surrounded by vegetation and peace typical of the région.

Located on a splendid plot of 935 m2, the volumes of the house play with each other and slide to create different covered and semi-covered spaces for your greatest plaisir.

It is in continuous contact with the outside, generating a large terrace with swimming pool taking advantage of its southern orientation.

In turn, it has a large garden where children can invent their best adventures and adults can enjoy a good book in the shade of a arbre.

Thanks to the simple geometric shapes and the optimization of the interior planes, we have a feeling of order and spatial spaciousness. Its large windows offer a privileged view of the city and make the spaces bright and aérés.

Spread over two floors, it proves to be the best option for any family. Starting with its spacious living-dining-kitchen room in relation to a large semi-covered space, all oriented towards the terrasse.

It also has 4 comfortable bedrooms, 3 bathrooms and 1 toilet. The master suite has a large balcony perfect for ending the day enjoying the infinity of the horizon.

The project has been designed with the highest qualities and standards, such as underfloor heating, air conditioning, alarm or double glazing among others, with the aim of your comfort and bien-être.

Amazing residential area with several plans at your fingertips. Less than 10 minutes from Playa del Arenal-Bol, one of the most beautiful beaches on the Costa Blanca, bordering many beautiful coves with crystal clear waters. Close to supermarkets, Plaza Central shopping centre and the urban centre of Calpe with different shops and restaurants to enjoy delicious méditerranéenne.

Jetvillas Construcción has been making our clients' dreams come true with unique properties on the Costa Blanca for over 20 years.

Discover our exclusive homes with Mediterranean design: Jetvillas, which makes them unique.
