Kitchen furnished with top quality materials to be chosen by the owner, including electrical appliances, following an open concept with the dining area surrounded by large windows that provide throughout the day pleasant light and direct access to the pool and the completely finished private garden areas. Air conditioning

(hot/cold) by ducts included. By taking care of the smallest details of the finishes, using the highest quality materials, customising the design and luxury without forgetting the maximum comfort, we manage to enjoy the houses both in summer and in mild winter, thus making them habitable all year round. Garage for 1 vehicle and in addition, outdoor parking for another vehicle, with separate entrance. Villas located close to the best golf courses, in the municipality of Torre Pacheco. This area has all the services that a place to live should have: supermarkets, schools, medical centers, sports centers, pharmacies, etc. One of these schools is King's College British School of Murcia, which is just an 8-minute drive from our development. It is the only international school in the region inspected by an external body accredited by the UK Department of Education for the inspection of British schools abroad. Not to mention the proximity of the RM-19 motorway that connects our residence to Murcia, 30 minutes away, and Corvera airport (Murcia), 20 minutes away. Alicante airport is 1 hour away. To get to Cartagena, it takes 25 minutes by car. Dos Mares Shopping Centre in San Javier is a 15-minute drive away and Espacio Mediterraneo in Cartagena is 22 minutes' drive away.
