**NEW BUILD VILLAS IN FINESTRAT** New build modern villas in Finestrat. Villas with 3 bedrooms and 3 bathrooms, open plan kitchen with seating area, terrace with beautiful views of Benidorm, private garden with swimming pool and parking space. It is designed as a fully walkable space with internal and external paths that provide independent access to each floor. This design offers different perspectives on the architectural complex and its surroundings, with the sea and the Sierra Cortina as a picturesque backdrop. The main entrance to the villa is located in the lower part of the plot, with ample parking for two vehicles. A water feature with sun loungers introduces you to the ground floor, characterized by wide walls adorned with masonry. In the extension of the living room is a terrace, made possible by a large folding window. Wooden shutters on the masonry walls provide a partially covered outdoor area for added comfort. The swimming pool, with its aquamarine hues and gresite cladding, is adjacent to a pavement made of non-slip porcelain tiles with a wooden look. This space also includes a barbecue area that can be customized according to the needs of the user and accessed from a paved area through the natural terrain. Finestrat is located in the Marina Baixa area of the Costa Blanca, close to the nearby city of Benidorm and about 40 kilometres from the city of Alicante and the international airport. The village is located on the side of the Puig Campana mountain and offers wonderful views of the mountains, the coast and the Mediterranean Sea. Benidorm is a five-minute drive from the properties and offers all the services you need, including shops, bars, restaurants, supermarkets, banks, pharmacies and several international private schools.
