### Property Description

New Build Villa Campana Garden for sale on Costa Blanca.

NEW BUILD VILLAS IN FINESTRAT New build modern villas in Finestrat. Villas with 4 bedrooms and 4 bathrooms, open plan kitchen with seating area, terrace with beautiful views of Benidorm, private garden with swimming pool and parking space. The side garden, adorned with cacti and white gravel, connects access level 1 to the main floor (level O). The use of natural grass in the rest of the land is presented as an additional feature thanks to a meticulously designed landscaping project. Each level is accentuated by a material that highlights its essence. The O level is clad in natural limestone, which supports the entire structure. Level 1, with its single-layer finish and wooden shutters, protects the most intimate part of the residence. Finally, Level 2, where the master bedroom is located, opens onto a spacious terrace and is covered with a textured single-layer coating in a warm tone. The Mediterranean aesthetic is achieved through a perfect fusion of tradition, modern architecture and nature. Finestrat is located in the Marina Baixa area of the Costa Blanca, close to Benidorm and about 40 kilometers from the city of Alicante and the international airport. The village is located on the side of the Puig Campana mountain and offers wonderful views of the mountains, the coast and the Mediterranean Sea. Benidorm is a five-minute drive from the properties and offers all the services you need, including shops, bars, restaurants, supermarkets, banks, pharmacies and several international private schools.
