### Property Description

New Build Penthouse Las Colinas Golf for sale on Costa Calida.

NEWLY BUILT RESIDENTIAL COMPLEX IN LAS COLINAS GOLF This new residential complex consists of 15 luxury apartments with huge terraces overlooking the surrounding green area. We have achieved a combination of modern and traditional Mediterranean architecture. Our idea from the beginning was to make the apartments, with a description of the materials including, among other things, underfloor heating with water, quooker tap, air renewal system, sound-absorbing ceilings, lacquered kitchens, smart home system and much more. Taking into account the prime location and views, we believe that the resort offers the ideal conditions to meet the criteria of guests with exquisite taste. The third floor consists of 3 apartments: 2 apartments with 3 bedrooms, 3 bathrooms and a guest toilet and 1 apartment with 2 bedrooms and 2 bathrooms. From the apartments you have direct access to large terraces on the same level as the apartment. You also have a staircase that leads you to the solarium, where each top floor apartment has a private pool, toilet, outdoor kitchen with a small lift from the downstairs kitchen and much more. At Las Colinas Golf & Country Club you will also find a wide variety of facilities for owners, such as tennis, padel-tennis, fitness, massage, golf, trekking and much more. Inside the Las Colinas Golf & Country Club, you'll also find a number of restaurants as well as a mini market with fresh bread and much more. You'll enjoy 200,000 square meters of beautiful Mediterranean scenery and take scenic walks through the lush native flora and vast fields of orange and lemon trees. Complex located 40 minutes from Alicante airport and 1 hour from Murcia - Corvera airport.
