Stunning 4 bedroom apartment in Marbella.

This is a residential project located in one of the fastest growing areas of Marbella. In a space reserved for what will soon be considered the new Golden Mile. Thanks to a very environmentally friendly urban plan, it is planned to build luxury hotels and complexes such as the W Hotel, or the first luxury complex of the prestigious Four Seasons chain.

It is immersed in a natural setting, surrounded by golf courses and just a few minutes from the center of Marbella, Puerto Banús and the emblematic beaches of the Malaga coast - protected for their great ecological value.

Anyone who has had or is lucky enough to live on the Costa del Sol knows the countless benefits that Marbella brings to this healthy and relaxed lifestyle.

The common areas take on great importance, the spaces dedicated to leisure such as beach-type swimming pools, social club, gymnasium, gardens and water fountains are examples of the lifestyle we offer.

Spacious common areas connected to a natural environment that invites a quiet and harmonious life with spaces to relax and enjoy. We have built everything you need to make your life much more enjoyable, easy and peaceful.
