### Property Description

Resale Apartment Artola Alta for sale on Costa del Sol.

LUXURY URBANIZATION IN MARBELLA WITH SEA VIEWS Innovative project in Marbella, consisting of apartments and penthouses with 1, 3 and 4 bedrooms. Spectacular sea views and golf on the front line. Close to the area of Dunas de Artola which leads to the beautiful beach of fine golden sand 1200m long, next to the marina. Gated urbanisation with large gardens and two separate swimming pools. Apartments created with the soul of villas. Space will be the protagonist of your new home, flooding every

corner with Mediterranean light. Thanks to its large windows at ground level, the interior space merges with the terraces to create a sense of continuity between the open rooms and the large terrace that opens onto the sea and the mountains. If you've always dreamed of waking up in front of the sea, now you have the opportunity to make your dreams come true. Marbella is considered the capital of the western Costa del Sol. Bathed by the sea and sheltered by the mountains, with splendid and extensive beaches with calm waters along 27 km of coastline, natural attractions, marinas, 21 golf courses and a wide gastronomic offer, from the typical "chiringuitos", beach bars and tapas bars, to the most luxurious Michelin-starred restaurants. All this, coupled with its microclimate with 320 days of sunshine a year, makes Marbella one of the most sought-after destinations in Spain to live in.
