Property Description

New Build Calanova Penthouse for sale on Costa del Sol.

Exclusive development of 146 homes with 2 and 3 bedrooms. From each of them, you can contemplate a spectacular panoramic view of the sea, the mountains and the meadows of the nearby golf course. The splendour of Brazilian resorts has been reclaimed and adapted to the Costa del Sol. Each of the large terraces projects onto the landscape and integrates it into the interiors. A feeling that multiplies in the impressive panoramic penthouses with 360-degree views. The resort has two outdoor swimming pools, one of which has

a beach finish, as well as a lagoon within a beautifully landscaped garden. It also has a spa, an equipped gymnasium, a sauna, a heated swimming pool and changing rooms. In Mijas you can enjoy a wide variety of golf courses, miles of quiet coastline, sun, nature and gastronomy of the region, from its international restaurants to its warm local cuisine. Mijas perfectly combines the tradition of its cobbled streets, whitewashed houses and patios with their colourful flower pots, with modernity and the best leisure facilities on the Costa del Sol. Its privileged location between the sea and the mountains makes it one of the most attractive tourist destinations in the province. An oasis of tranquility and privacy, surrounded by nature, with privileged views and all the services you could need.
