Property Description

Duplex property with Apartment, garden room and beautiful landscaped gardens

This property has versatile accommodation. It is beautifully presented internally and externally, and has been completely renovated over the last 2 years including new flooring, re-wiring, new plumbing and bathrooms, insulation, new windows and kitchen. The owner's duplex apartment is on the first and second floor. On the ground floor are 2 well appointed en-suite B&B rooms, with a small kitchenette. This use could be continued or it could easily be used as a self-contained annexe or gîte. Alternatively an internal staircase could be installed to link the ground floor with the first and second floors to create one house. There is a beautiful garden room/games room in the well stocked, landscaped gardens.

The property is 3 minutes from the Normandy border, in the Mayenne department of the Loire Valley region of France, within close proximity of Ambrières-Les-Vallées, 10 minutes, and Gorron, 10 minutes, with Mayenne and Laval 15 minutes away. In addition to the pretty town of Mayenne, you are close to the border with Normandy (12km) and further afield the UNESCO heritage site of Mont St. Michel with its large beaches (81km). The spa centre, Bagnoles de l'Orne offers sporting activities, lake, pavement cafés and casino (40km). It is one and a half hours south of Caen for the ferry port at Ouistreham.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
