### Property Description

The house is a traditional French Farmhouse, believed to date back to the early 1700's with potential B&B rooms and attached gîte in over an acre of land with open views across the valley.

The house is a refurnished and modernised French farmhouse. It has 3 large bedrooms in the main house, which are easily compatible for B and B use. In addition there is a pretty completely self contained 2 bed gîte attached and ready for letting purposes. All in an acre of maintainable land with open views across the valley.

The property benefits from electric heating with a heat exchange unit which has been recently installed, double glazing and beautifully presented accommodation. The Farmhouse would lend itself to use as a small B&B by using the first floor bathroom, bedroom 2 and 3 as a family suite. There is an attractive 2 bedroom gîte which has been recently renovated to provide accommodation for guests. There are superb views over the surrounding countryside and a lovely garden which has a productive vegetable garden with raised beds and greenhouse. Viewing is highly recommended to appreciate the versatility of this property.

The property is situated on the Manche/Calvados border and is only 1 hour away from the ferry port at Caen Ouistreham and 3 hours from Paris. Calais is about 4 hours away. The D-Day landing beaches, Granville, Mont Saint Michel and the Brittany coast are all less than an hour's drive away. The UNESCO heritage site of the Mont Saint Michel is about 40 minutes drive. The nearest main town is Villedieu-les-Poêles about 10 minutes drive away and Vire is approximately 15 minutes distant. The property is also well placed to pick up the A84 motorway at Pont-Farcy or Villedieu-les-Poêles.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.

For more information take a look at our **buying guide**, our **french mortgage** and **euro currency exchange** pages.

## Testimonials

my-french-house was by far the best online guide I found – and I trawled them all – to buying a house in France. It answers all your first questions practically before you've thought to ask.

**C. BAUER – Sunday Times**

Our French property purchase and move to France were made so easy with the help and assistance of my-french-house.com. They are a committed and professional business – we highly recommend them.
