Property Description

Detached house with annexe and half an acre

This house is situated in quiet rural hamlet. Over the last 13 years the owners have considerably upgraded the main property which has been re-wired, the bathrooms have been replaced and had new plumbing, new

floors and walls and new insulation. The woodburner has had a new flue liner, new laminate flooring has been fitted and the house has been re-decorated. There is an internal connecting door to the attached gîte which is used for storage at present. It requires re-decorating and could be used as an extension to the existing accommodation or as a self-contained gîte or annex.

It is situated a 5 minute drive from the bustling market town of Sourdeval with bars, restaurants and shops. Extensive recreational facilities can be found nearby including local waterfalls and walking clubs, canoeing and outdoor sports. The beaches on the west coast are an hour's drive away and it is approximately 80 minutes drive from the port of Caen and an hour and forty minutes from Cherbourg. Normandy landing beaches are easily accessible. Suisse Normande and Spa towns 35 minutes drive. Choices of Golf Clubs with open availability for non members. Sports centre with pool and slides, Go Karting and board park less than 15 minutes. The nearest train station is at Vire (8 miles) from where you can take a fast train to Paris.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
