Property Description

On an old enclosed hovel, architect-designed house, in the heart of a lush garden of 6908 m², with outbuildings, 30 minutes from the sea and 6 km from Auffay, Saine-Maritime (76), for sale.

Built in 1967 , on an old enclosed hovel , which still retains its old press, this comfortable architect-designed house, bathed in light, offers a living space of 198 m². The residence is surrounded by a lush garden which invites itself into the house, thanks to its numerous bay windows.

Once through the entrance, you enter the heart of the house, into a large living room, decorated with a fireplace.

The living room opens onto a terrace, facing south, where it is a good place to have lunch in the summer.

Continuing on, we find a fitted and equipped kitchen and a corridor leading to 2 bedrooms, 1 bathroom with toilet, a laundry room.

The ground floor also serves a cloakroom with visitor toilets. On the 1st floor of the house a large landing room opens onto 4 other bedrooms and a bathroom with toilet.

With skilfully designed spaces and living spaces, independent of each other, this house offers a comfortable living environment. Its distribution allows a 'bed and breakfast' activity. Carefully maintained, no work is required.

The other strong point of the property is its quite exceptional environment where the garden takes a prominent place.

Maintained with great care, many floral and shrub varieties coexist there, leaving plenty of room for rose bushes. Not far from the house stands a half-timbered and cob outbuilding , which formerly housed the press. Rehabilitated into a home, it offers a surface area of 190 m² to which must be added an attic of 100 m² .

At the back of the property, we can see the second outbuilding (60 m²) , currently used as a workshop, also rehabilitable, and all around, the orchard of the closed hovel and a henhouse.

Quietly, in an environment where nature offers the best, this architect-designed house offers an exceptional place to live, close to shops (Auffay 6 km), not far from the sea, 30 minutes (Dieppe) . Golf Saint Saëns 12 km away . The land is suitable for swimming pools.

It will be suitable as a primary or secondary residence for those seeking serenity and the countryside. Paris 2 hours, Auffay station 8 minutes.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
