Property Description

Immaculate Townhouse within easy walking distance of all amenities

The property has 5 bedrooms and 2 bathrooms over 3 floors and benefits from double glazed windows with mainly electric shutters, a recently fitted kitchen. The ground floor was renovated in 2014 and it was re-wired in 2014 and 2024. Ideal as a lock and leave holiday home or buy to let. There is no garden or off-street parking with this property but we understand that the adjoining plot of land of approximately 500m² is available to purchase by separate negotiation.

It is situated in the southwest of Normandy, near the borders of Manche and Calvados, in Sourdeval. The town offers every amenity including three banks and supermarkets. Market day is held every Tuesday morning, as is the livestock market. The beaches on the west coast are an hour's drive away and Sourdeval is approximately 80 minutes drive from the port of Caen and an hour and forty minutes from Cherbourg. A little further afield are the D-Day landing beaches, the Mont St Michel. The Lac de la Dathée, ideal for walking, fishing and boating, and an 18 hole golf course are within 15 minutes drive, as is the Saint Sever forest.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
