Property Description

Detached stone house with over an acre and old house and barn to renovate

This stunning detached house boasts many unusual and original features including a granite fireplace with

coat of arms, a huge arched window, a galleried landing and mezzanine and a ground floor bedroom and bathroom. The garden is well planted with shrubs and trees and there is an area of woodland with a detached stone and block house and attached barn which formerly had planning to convert it into a dwelling.

St Martin De Landelles is in the Manche area of Normandy. Around St Martin De Landelles attractions such as Mont St Michel (26 km) and the Ange Michel Leisure and Water Park, and the river at Vézins are about 1km away. The town of Saint Martin de Landelles is about 3kms from the house and has facilities including a bakery, post office, supermarket, butchers, school, newsagents, hairdresser, petrol station and a garden centre, 2 bars and a restaurant. The nearest main town is Saint Hilaire du Harcouët, which is just over 1 hour from Saint Malo and the ferry port, with one of the biggest markets in the area on a Wednesday morning which takes over most of the town centre. The town has all amenities including some great restaurants, bars, and cafes. It also has a park with two adjoining lakes and a childrens' playground. There is an indoor pool with a spa and a water slide. Crazy golf is available with clubs and balls for hire from a nearby bar. The town of Mortain 20 minutes away offers a great outdoor pool, stunning scenery and beautiful waterfalls. It is 3 minutes away from the Normandy/Brittany border and is set in the countryside. It is within easy access of the main ferry ports, Cherbourg, Ouistreham (Caen), and St Malo (at most 1.5 hours drive) and Le Havre (about 2.5 hours). The nearest mainline train station is at Vire (30 minutes away) with regular trains to Paris taking about 2 hours and 35 minutes.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
