Property Description

Medieval house with character features in Normandy

Walking into this house is like stepping back in time but with modern day comforts. There is a small but charming interior courtyard which gives access to a separate lounge and two bedrooms and bathroom - ideal

for someone wishing to do Air B&B. There are plenty of exposed beams, wood panelling and exposed stone walls and the layout is versatile and a bit quirky! Ideal lock and leave holiday home or full time home within a short walk of all amenities.

The property is situated in the north west of France, in the department of Orne in Normandy. The property is in a quiet residential position on the outskirts of the medieval market town of Domfront with shops, schools and all amenities. Also nearby, you will find Lassay -les-Chateaux (13km), with its picturesque castle and lake. Bagnoles de l'Orne, about 22km away, is a spa resort set around a lake with a casino, many restaurants and shops. La-Ferté-Macé (15km away) is a pretty town with a large Leclerc supermarket. The town has a leisure lake with a swimming beach, a climbing wall and a par-three golf course. The larger town of Mayenne is 27 km away. The UNESCO heritage site of Mont Saint Michel is 80km and the D-Day landing beaches are 112km. The nearest mainline train station is at Flers (30km) with the TGV at Laval (52km) and airport and ferry are at Caen Carpiquet (76km). Rennes airport is also within easy reach (98km).

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
