Property Description

Maison de Maître with 5 B&B rooms and owners' accommodation

This house has been carefully arranged to provide 5 B&B rooms with potential to add more and separate owners' accommodation - it is versatile in as much as the main living space could be adjusted in accordance with a new owner's needs. It would also be possible to use the existing space as 2 self-contained gîtes and owners' accommodation with the small addition of a kitchen to one area.

The property is near the village of Ger (with all everyday amenities) and with easy access to the popular market town of Sourdeval. Sourdeval is a thriving market town where excellent shopping facilities, restaurants and bars are available. It is situated in the Southwest of Normandy, near the border of Manche and Calvados. Further amenities are available at Flers, including a train station giving access to Paris Charles de Gaulle. The beaches on the west coast are an hour's drive away and the property is approximately 80 minutes drive from the port of Caen and an hour and forty minutes from Cherbourg. A little further afield are the D-Day landing beaches and the Mont St Michel. The Lac de la Dathée, ideal for walking, fishing and boating, and an 18 hole golf course are within 20 minutes drive, as is the Saint Sever forest.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
