Property Description

Located 40 mins from Pau is this semi-detached villa, constructed in the 1970s and renovated in 2002, offers 94 m² of living space with 1 100m² of fenced land and garden.

Located in the heart of a small, quiet village close to Lembeye is this pleasant three bedroom 1970s home for sale.

The 20m² kitchen has tile flooring, a wood burner and basic furnishings (sink, cupboards). It has access to the 30m² tile-floored living and dining room with corner fireplace. A patio door allows access to the terrace.

The ground floor also has a bathroom and a toilet. A staircase twists upstairs to three bedrooms of 15m² each with splendid wooden flooring. They are all south-facing and one boasts a small terrace overlooking the garden.

This solid traditional construction was subject to some renovations in 2002: double glazing added and wiring. The individual sewage system will no longer up to current regulations. Some simple modernisation will make this a comfortable and pleasant home.

It is necessary to point out that the house is semi-detached: to a small traditional home occupied from time to time by the current owner of this house who will construct a separation wall for the properties for an eventual sale. Access is via the rear of the house.

The 1178m² of land surrounds the house and is entirely fenced allowing you to perhaps grow some vegetables, a children's play area or a small pool.

Located in a pleasant location without being isolated, this house will make a lovely home for a young couple who enjoy the countryside, a first purchase, retired persons or a holiday home.

You will be 40 mins from Pau and close to the picturesque fortified town of Lembeye for all commerce, markets and services. Around 1h30 from skiing, from the Ocean and from the Spanish border.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
