Property Description

In the heart of the sought-after La Raze neighborhood in Bègles, on a popular street, this charming, carefully and elegantly renovated shop offers quality services and a pleasant living environment.

The shop offers a surface area of 107 m² with 2 bedrooms and their bathrooms, one on the ground floor and the other in the attic, as well as an east-west living room. Note that it is possible to create a 3rd bedroom in the living room space to the left of the entrance hall.

The graphic black and white entrance leads on the right to a bedroom with a bathroom and on the left to the living room. The oak parquet flooring, the neat decoration, and the presence of a wood stove bring a warm atmosphere to this convivial living space with double height. A separate elegant kitchen with an adjoining pantry/laundry room completes this level as well as a toilet at the entrance. Upstairs is a pretty attic bedroom with bathroom, dressing room, and separate toilet. An east-facing planted garden invites you to relax.

A heated outbuilding of approximately 24 m² can be used as an office or spare bedroom and an adjoining workshop of approximately 15 m² allows for storage. Ideally located near shops, schools and transport, this pretty shop combines a practical location with undeniable living comfort. In addition, a reception garden with parking space completes its assets.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
