Property Description

Nestled on the banks of a river, this vast stone house offers a generous surface area in the heart of a preserved environment, near the Château de La Rivière in Fronsac. Located on a landscaped plot of 1.7 hectares, it offers numerous comfort and leisure facilities: swimming pool, pétanque court, gym, garage, carport, waterfront terrace.

A rare property where the elegance of the old building harmoniously dialogues with a lifestyle turned towards nature. The interior spaces reveal a fluid and convivial layout, designed for family life as well as for welcoming guests. The 7 bedrooms, distributed evenly over the different levels, are accompanied by 4 bathrooms, ensuring comfort and privacy. The fully fitted and equipped kitchen opens onto a cozy living room extended by a terrace. Each room reveals a different view of the river. The careful decoration highlights the noble materials: exposed stone and wooden floors, creating an atmosphere that is both authentic and refined. Each space has been designed to combine old-world charm with modern functionality.

Outside, the meticulously maintained grounds offer numerous areas for relaxation and recreation. The riverside terrace invites contemplation, while the swimming pool and pétanque court promise moments of sharing. The impeccably maintained wooded park offers great privacy without being isolated: shops and services are easily accessible in just a few minutes by car.

This unique property seduces with its exceptional waterfront location, the nobility of its stone construction, and the quality of the services offered. An atypical property to discover for those seeking an elegant, spacious, and peaceful living environment.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
