Property Description

Nestled in a quiet and sought-after neighborhood, hidden from view, this elegant two-story shop perfectly embodies the alliance between the authenticity of the old and the refinement of modernity. Stone walls, a fireplace, warm volumes and careful finishes give this place a unique atmosphere: a true haven of peace, where intimacy and comfort delicately meet.

The house opens onto a bright living room, composed of a living room with fireplace, a convivial dining area, and a fully equipped open kitchen, extended by large bay windows giving access to the 70 sqm landscaped garden, with its intimate and private swimming pool. The ground floor also accommodates a master suite with its private bathroom, offering a real independent sleeping area with storage.

Upstairs, there are two large bedrooms, a bathroom, as well as a games room or office, ideal for the needs of family life. A healthy cellar completes the set that can serve as a fourth bedroom. A private garage in the street completes this property.

Modern, rare and full of charm, this shop offers an ideal living environment for those looking for the perfect balance between the tranquility of an intimate cocoon and the immediate proximity of urban amenities. A favorite property to discover without delay.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
