Property Description

In the heart of the medieval village of Villandraut, this residence with timeless charm unfolds its volumes around a landscaped patio, evoking the hushed atmosphere of a small cloister and offers a turnkey bed and breakfast activity.

The complex consists of a main house, an independent gîte and a space dedicated to welcoming guests, combining authenticity and modern comfort. The interior reveals a warm atmosphere, mixing old materials and neat services. The main house opens onto a rustic-style equipped kitchen, a dining room and a living room with pleasant volumes. A laundry room and a cellar complete this level.

Upstairs, two large 20 sqm bedrooms share a bathroom and a separate toilet. The guest room area, accessible by an external staircase, includes three spacious suites with private bathrooms, each personalized and with a view of the church bell tower. A reception room with old-world charm is adjoining and a second room, to be renovated, offers additional development potential.

An independent gîte, completely renovated, offers a living space with open kitchen, a bedroom and a bathroom. Outside, the landscaped patio seduces with its intimate atmosphere. The covered terrace, the structured garden and the six-seater jacuzzi invite you to relax. A bicycle storage room completes this ensemble. The village of Villandraut, with its shops, schools and its historical heritage, ensures a pleasant and dynamic living environment.

This property with its unique character is an ideal opportunity for a reconversion or a long-term investment, supported by balance sheets.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
