### Property Description

Located just 5 minutes from Lasseube, this 138 m<sup>2</sup> house enjoys total privacy and breathtaking countryside views. Set on 1.17 hectares of land (meadow, orchard, protected woodland, protected natural area), it offers a bright living room with fireplace, separate kitchen, veranda, 3 bedrooms including one walk-through, and a bathroom on the ground floor.

Extras include a wine cellar, animal shelter, garage, large motorhome hangar, and a barbecue area.

Ideal for nature lovers seeking a serene retreat close to amenities—only 1 hour from Spain and 1h50 from Biarritz.

From the moment you arrive, the absolute calm and beauty of the landscape create a real "wow" effect. The house exudes a warm and peaceful atmosphere, in perfect harmony with the surrounding nature, no overlooking neighbors and offers panoramic views of the countryside.

A spacious terrace welcomes you at the entrance. As you enter the main door, you discover a vast, light-filled living-dining room (52 m<sup>2</sup>) with a striking fireplace that anchors the space.

From here, one side leads to the veranda (21.62 m<sup>2</sup>), a true living space open to the outdoors, and the other to the staircase.

To the left, the separate kitchen (17 m<sup>2</sup>) also enjoys open views of the garden and terrace, with two direct accesses to the outside.

On the ground floor, you'll also find a large bathroom (10 m<sup>2</sup>) with both bathtub and shower, plus separate toilets.

Upstairs, the layout includes a large bedroom on the left (26 m<sup>2</sup>) and two on the right (11 and 10 m<sup>2</sup>), one of which is in a row.

The back bedroom has an additional private washroom with toilet, bidet, and sink.

The 1.17 hectares of land allow for full enjoyment of the setting: a flat area around the house perfect for outdoor dining, a barbecue space, a gently sloping orchard, and wooded areas.

The entire property is in a protected natural area with classified woodland.

The house is heated by a Wiessmann oil boiler with hot water production and also has an open fireplace. The roof is tiled with traditional framework. Windows are PVC double-glazed, except in the kitchen, where a single-glazed wooden window remains.

Sanitation is via a septic tank.

Additionally, you'll find a wine cellar accessible from the living room, an animal shelter, a garage, and a large hangar suitable for a motorhome.

A rare property for those seeking nature, space, and peace, only 5 minutes from the lively village of Lasseube with shops and services, 20 minutes from the train station, 50 minutes from ski resorts, 1 hour from Spain, and 1h50 from Biarritz.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
