Property Description

In the heart of the old town, this apartment located on the second line is lived like a house on 3 levels and enjoys a sublime vegetated garden of 130m2, absolutely unimaginable and rare in the city center. Completely redesigned and renovated by a renowned architect, this 70m2 apartment with an optimal layout offers different atmospheres whose common denominator is the search for brightness and openness to the outside.

At the back of a beautiful stone building, this apartment feels like a home. The entrance to the courtyard leads to the living space consisting of a living room, a dining area and a semi-open kitchen. The architectural bias shines through the play of colors and noble materials or even a masterful library that dresses the whole. The first floor is composed of a bedroom, a bathroom and a separate toilet. Finally, the top floor offers a second bedroom. The conclusion of this townhouse takes the form of a sublime garden of 130m² with flourishing vegetation. A pretty futuristic-looking outbuilding takes place at the end of the garden and offers an outdoor lounge or an extra bedroom. In the heart of the city, this apartment benefits from all the advantages of city life while offering an exceptional haven of peace, idyllic and unsuspected.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
