Property Description

Located in the Judaica district, this 161m2 house has been completely renovated to create a family cocoon with terrace, garden and swimming pool. Built on several levels, the architect has preserved the charm and originality of an old building while enhancing the premises through the use of contemporary, timeless and quality materials.

The entrance leads to a beautiful living room of 40m² with high ceilings and an open kitchen. This space opens onto a Tropezian terrace thanks to a large bay window. A flight of stairs gives access to a large bedroom and a WC. The upper level accommodates a second bedroom with bathroom and office area. The garden level offers a beautiful master suite with bathroom and dressing room. A large office area, a pantry and a WC complete this level.

The whole overlooks the 65m² garden with swimming pool. A garage completes the whole. Rare in the area, this house offers the opportunity to live in a unique setting close to all amenities.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
