Property Description

Located in the town of Corbarieu, a few minutes from shops and services, but also from the Montauban-Toulouse axis, this contemporary house spans 200m2 over 2 levels. The 3 distinct spaces which make up the ground floor offer great ergonomics to this family car with contemporary lines and technologies. The first space is made up of an entrance cloakroom, with integrated storage and a pantry/laundry room and/or

technical room. This room has independent access to/from the outside. The beautifully crafted kitchen, equipped with integrated storage and a splendid central island, is open to the living room and/or living room of 55m². The 2 large bay windows offer a very pretty view of the neighboring hill, and direct access to the large terrace, the heated swimming pool and its pool house. The master suite, obviously equipped with a bathroom and a dressing room, completes this level. This room also has direct access to the terrace. The first floor is made up of a bright and functional office/or professional space of 28m² which has its own entrance from/to the outside. The 3 beautiful bedrooms which complete this level benefit from direct access to a long balcony which offers a completely unobstructed view of the green environment and have a very beautiful bathroom. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
