### Property Description

Ideally situated in the town centre of Condom with all amenities within walking distance, this charming 180 sqm house boasts an array of features

Undergoing a complete renovation less than 5 years ago, it now comprises two separate apartments, a garden of approximately 130 sqm complete with a well, and a garage.

On the ground floor, a 29 sqm studio has been set up for rental purposes, although it could easily be incorporated into the main house as the openings have not been sealed. The main section comprises a 37 sqm living room with an open-plan kitchen, leading out onto the delightful terrace and garden. On the first floor, there are 2 suites, each consisting of a spacious bedroom, a dressing room, and an en-suite bathroom. The second and top floor, which benefits from a splendid glass roof to brighten up the staircase, features 1 bedroom and a storage room that could be converted into a bathroom.

At the rear of the garden, you'll find a garage (suitable for a small car only), a workshop, and above it, another one-room apartment with a balcony.

The renovation work is of a high standard and includes a new roof and framework, updated plumbing and electrical systems, double-glazed wooden windows, contemporary bathrooms, plastering and painting, and central heating provided by a heat pump.

This is an ideal home to move straight into and simply enjoy the sunny days in the garden

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
