Property Description

Nestled in the heart of the Golden Triangle, less than 10 minutes from Castelnau and 15 minutes from Gaillac, this former 409sqm wine estate consists of a main house of 330sqm and an independent gîte of 80sqm.

Located in the heart of a 2.7 hectare plot of land without vis-à-vis, this stone and half-timbered residence seduces with its character and exceptional volumes.

The ground floor of the main house opens onto a spacious 56sqm living room, decorated with a fireplace, bringing a warm and friendly atmosphere. The 25sqm kitchen-diner combines traditional charm and functionality, offering a convivial space ideal for moments shared with family. The independent dining room completes this ensemble with elegance. A wine cellar, a real asset for lovers of good wines, enriches this level.

Upstairs, a landing in a passageway leads to four bedrooms, each equipped with its own bathroom or shower room. One of them even benefits from a private terrace. This configuration ensures comfort and privacy for the occupants.

The independent gîte, meanwhile, offers the living areas on the ground floor. The upper floor consists of two bedrooms and a bathroom, offering perfect autonomy to receive family or friends.

Outside, the setting is enchanting. The 11 x 5 m salt pool, surrounded by greenery, promises moments of relaxation in complete serenity. The vast plot of land, devoid of any vis-à-vis, reveals an unobstructed view of the surrounding countryside. The exterior layout is ideal for enjoying the absolute calm that this property offers.

The garage of more than 50 sqm and the convertible attic suggest multiple possibilities for additional developments.

This property, completely renovated, stands out for its authenticity and its atypical character. It combines modern comfort and old-world charm, in a preserved and unique setting.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
