Property Description

Nestled in the foothills of the natural park of Haut Languedoc, just minutes from all commerces, restaurants and services, 20 minutes to Beziers, 35 minutes from beaches, Beziers airport and just an hour from Montpellier.

An impressive and idyllic mas, previously an auberge, consisting of 2 houses with a garage, a hangar and streams, situated on 5.5 hectares of wooded land with vines, an olive grove and fruit trees with scope to develop further if wanted, set away from everywhere, yet close to everything. The 2 houses have been thoughtfully and tastefully renovated, offering lots of charm and practicality at the same time, the 2/3 bedroomed stone cottage, used as a permanent residence of about 120 m² living space with its own terrace and garden, the second house, let mainly as a gite for holiday makers, offering 2/3 bedrooms also over 100 m² living space with the possibility to enlarge by 100 m² on the 1st floor. A hidden gem in an idyllic setting, away from it all, but in close proximity to all amenities, in a peaceful and charming setting, already fully renovated with attention to detail and functionality, with ample living spaces and limitless potential and opportunities for exploitation, retaining character and charm wherever possible.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
