Property Description

Between Gaillac and Graulhet, in the heart of a peaceful environment, this 17th-century château, revisited in the 19th century, reveals characterful architecture and generous volumes. With over 600 sqm of living space on a 4-hectare plot, it combines old-world charm and development potential, offering a unique living environment. Behind the entrance door, a majestic hall distributes the reception areas. On one side, a living room with a fireplace invites conviviality. On the other, a dining room and a separate kitchen, opening onto a terrace, prolong the pleasure of shared moments. A laundry room, a linen room, a storeroom, and a toilet complete this level. A section renovated in 2009 houses a 66 sqm professional space, comprising three rooms including a water point and two toilets, adaptable as an apartment or workspace. A semi-buried cellar provides additional storage space. On the first floor, a bedroom with a water feature precedes two separate wings. The first consists of a spacious living room and a multipurpose space that can accommodate a games, music, or reading room, as well as two bedrooms with private bathrooms and shower rooms and a toilet. The second wing accommodates three bedrooms, including a 56 sqm master suite with a dressing room and bathroom, as well as a bathroom shared with the other rooms and a toilet. A top floor of 330 sqm remains to be developed, leaving room for numerous possibilities. The wooded park, decorated with boxwood, cedars, chestnut trees, and oaks, benefits from an unobstructed view of the countryside and envelops the estate in a natural setting. A swimming pool provides additional comfort for the summer period. Several outbuildings, including a former stable of 100 sqm and a Normandy-inspired building of 180 sqm, enrich the complex, offering additional potential. This exceptional château combines the privilege of a green setting and vast spaces with immediate proximity to amenities. An exceptional address for those in search of charm, elegance and comfort. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
