Property Description

Located in Beauzelle, less than 10 minutes from Airbus and the MEET, this majestic building of approximately 440 sqm of living space sits on a wooded plot of 2,700 sqm. From the entrance, the house's spaciousness is impressive. Its authentic character and high-quality features are seductive. Period architectural features are present: terracotta tiles, solid parquet flooring, a period fireplace, exposed bricks, and high ceilings. On the ground floor, the house offers several warm and functional living spaces: a main living room with an imposing fireplace and extended by a dining room, a light-filled library, and a third generously sized living room. A quality kitchen open to the outdoors completes this level. The upper floor is entirely dedicated to relaxation with five generous bedrooms, including two master suites, each with a dressing room and private bathroom. Two dovecotes enrich this residence. One is currently used as a gym, while the other serves as storage space. They can easily be reinvented according to the needs and desires of future occupants. The 2,500 sqm, carefully planted park gives this property a green setting, ideal for enjoying a peaceful lifestyle on the outskirts of Toulouse. This property is also a real rental investment opportunity. Three independent apartments, carefully renovated and currently rented as gîtes, are located here. They offer a living area of approximately 102 sqm, 112 sqm and 83 sqm. Each of these accommodations has a living room, a kitchen and two bedrooms, each equipped with its own bathroom. Witness to history over the centuries, this exceptional building has preserved its old-world charm while adapting to today's expectations. Its harmonious blend of traditional architecture and modern amenities makes it a safe and attractive investment. Whether for furnished rental or gîte management, this unique property promises sustainable asset enhancement in a strategic sector of the Toulouse metropolitan area. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
