Property Description

On the edge of a village with small shops and a leisure area, this charming single-storey architect-designed home, built in 1995 and extended in 2019, offers peace, space, and character.

The property sits on a beautifully maintained 6,800 m² plot and features a large 100 m² garage with water and electricity, a characterful timber-framed outbuilding, a mobile home with two bedrooms, and an additional outbuilding.

Bonus: a lovely heated swimming pool, installed in 2019, which has not been in use since 2022 and will need to be reactivated.

Upon entering the home, you are welcomed into a spacious hallway that naturally separates the living area from the sleeping quarters.

The living space includes a cozy lounge with fireplace and wood-burning stove, underfloor heating, a dining room, and a fully equipped kitchen. The kitchen opens onto a 17 m² veranda, while a second, larger 35 m² veranda provides even more light and space. Behind the kitchen, there is a practical laundry room and a large storage area.

The night area comprises three bedrooms with parquet flooring, a bathroom with whirlpool bathtub, double sinks, and built-in wardrobes. The 2019 extension houses a master suite with en-suite bathroom, as well as an additional shower room. In total, the property offers four bedrooms, all with direct access to the garden, and three bathrooms.

The main house offers 175 m² of living space, to which the two verandas and the large storage room can be added, for a total of 244 m² of usable space.

This fully fenced and very private property includes an electric gate with videophone. Both the swimming pool and septic system were installed in 2019.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
