Property Description

Located in Gaillac, in the heart of the vineyards, this former winery, renovated in 2010, offers 316sqm of living space and sits on a 2900sqm plot. The entrance impresses with the size of its staircase leading to the living areas. Here, the space is bathed in natural light thanks to the large openings that open onto the terrace and the swimming pool. Panoramic windows also allow you to enjoy the unobstructed view of the vineyards. The living area of approximately 100sqm consists of an open-plan kitchen and a dining room. Below, a more cozy 35sqm living room completes the space. This level also features two bedrooms, 42sqm and 19sqm, each with a shower room and WC. The larger one also benefits from its own dressing room. On the ground floor, the sleeping area consists of an additional 20sqm bedroom with its own shower room and WC, as well as a 55sqm master suite with a large dressing room, bathroom with bathtub and shower, and WC. This suite also benefits from a private terrace. This level also houses a separate WC, as well as a laundry room and a large 80sqm garage. Outside, the terrace and swimming pool enjoy a beautiful unobstructed view of the vineyards, sheltered from view. As for the outbuildings, the property benefits from a double garage (or workshop) of approximately 30sqm as well as an exposed stone shed of approximately 80sqm. A small specificity of the area, the house also has a dovecote with its preserved original appearance. The modernity of this typical Gaillac building and the potential offered by its various outbuildings make this property unique in the area. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
