Property Description

Built in the commune of Léguevin, this sumptuous mansion of approximately 500sqm is impressive.

Combining old-world charm with modern comfort, it is surrounded by an exceptional garden of almost 2 hectares.

Upon entering the property, a unique architecture stands out. A wide driveway welcomes guests, with parking for around twenty cars.

Once through the door, an impressive entrance hall sets the tone and leads to the various rooms. A large, bright living room, adorned with a beautiful period fireplace, sits alongside a small adjoining lounge. On the other side, a dining room invites conviviality. This is followed by a large and spacious equipped kitchen. On this same level, a first bedroom is located with its own shower room.

Access to the upper floor is via an impressive, perfectly maintained period staircase. Seven bedrooms stand out, with three shower rooms and a bathroom. A large dressing room is located, followed by an office with a balcony.

A large, insulated and heated cellar offers several spaces: a workshop, a games room, a relaxation room, a billiard room, and a boiler room.

Outside, a salt-water swimming pool and covered terrace invite you to share moments. The park is wooded and not overlooked.

The property benefits from an isolated outbuilding for a liberal activity, games room, workshop, or for rental.

The joinery and electricity have been redone, beautiful high ceilings, old-world charm, alarm, fiber optics, well, and a double garage.

This mansion is the ideal place to live for lovers of the old who are looking for a corner of paradise in a calm and bucolic setting.

The villa can serve as a family home, guest rooms, an event space, an exceptional location for restaurateurs/traders, or even a liberal profession.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
