Property Description

Just minutes from the center of Castres, nestled in the heart of a preserved environment, this elegant stone property offers 285 sqm of living space, within a wooded and fully fenced park of approximately one hectare. The generous volumes of the main building offer a pleasant, bright living environment. The interior layout favors both the conviviality of the reception rooms and the intimacy of the sleeping areas. On the ground floor, all the living areas are located: two living rooms, the kitchen, and an office. The upper floor offers six bedrooms, each with an en-suite bathroom, which gives them rare comfort and perfect autonomy. The noble materials, the meticulous finishes, and the open views onto the garden highlight the authentic character of this residence. Outside, the landscaped park, punctuated by cypress, cedar, and various species, surrounds a generously sized swimming pool, the true heart of the property. A stone staircase leads to a raised terrace offering panoramic views of the surrounding countryside. Below, a separate guest house will allow you to welcome family and friends or even develop a gîte business. A sauna completes this complex dedicated to relaxation. Unique in its layout, its natural environment and the richness of its services, this stone residence combines charm and functionality. It lends itself equally well to a family residence or a tourist reception project. An atypical property, rare in the Castres area. Sauna with fireplace and sleeping accommodation. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
