Property Description

Located just a few minutes' walk from Albi's historic center, this 1930s mansion combines old-world charm with contemporary comfort in an unexpected green setting in the heart of the city. Behind its discreet facade hides a unique universe: herringbone parquet flooring, moldings, and marble fireplaces contrast with designer furniture and subtly integrated ethnic or Scandinavian touches. A balanced lifestyle, designed to appeal to a clientele seeking calm, authenticity, and refinement. The property offers nearly 500 sqm of living space, offering very generous volumes and fluid circulation. The living areas, bathed in light, consist of a cozy living room, a convivial dining room, and a fitted kitchen with quality equipment, ideal for food lovers. This level also houses an office and a bedroom with a private bathroom, offering the possibility of comfortable living on one level. On the first floor, five spacious bedrooms, each with its own private bathroom, allow you to imagine a comfortable family life or to welcome friends and family in complete privacy. The attic, meanwhile, has been redesigned to offer an independent space evoking the charm of an apartment of nearly 170 sqm on the ground floor. Inside or outside, the various spaces dedicated to well-being - infrared sauna, gym, wooded garden with salt pool and relaxation area - create a peaceful living environment, conducive to disconnection. The rear garden, a true green cocoon, offers privacy and serenity just steps from the entertainment of the UNESCO-listed episcopal city. A rare property, perfectly maintained, ready to continue a flourishing bed and breakfast business or to become an exceptional family residence. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
