Property Description

Located only a few minutes from the centre of Tarbes, this property is composed of 2 houses (162 m² & 68 m²) and outbuildings (210 m²) on a fenced in and tree-filled garden of 1500 m². A rare opportunity, combining immediate comfort with huge renovation potential - ideal for a rental or family project.

As soon as you go through the front gate, you're going to fall under the charm of this property and its many outbuildings.

When opening the front door of the main house, which is spacious and bright, with a surface of 162 m², you discover a big living-cum-dining room (25 m²), a second room (25 m²), a kitchen (16 m²) and a bathroom and toilet (7 m²).

A wonderful wooden staircase leads to the next floor.

The landing gives onto 3 bedrooms (9-16 m² & 10 m²), as well as a study (8 m²) and a shower-room (5 m²).

Returning outside, you have access to the big outbuildings and the second house.

This second house, adjacent to the outbuildings, needs a complete renovation.

With a surface of 68 m², it has huge potential thanks to its structure and large volume.

From the outbuildings in the middle, you have direct access to a large plot that could be eventually built on.

The outbuildings have lots of possibilities: barn, garage, workshop, storage space or conversion into additional dwellings.

With a surface of 210 m² and easy access, they are ideal for developing an activity or creating several rental units.

This property represents a wonderful opportunity for investors or anyone interested in renovation projects who wish to create a space in their image.

This lot of two houses has huge potential, combining a first house ready to live in with a second to renovate.

Ideal for families or investors. This project requires a creative vision in order to optimize its spaces while combining the charm of the old with modern touches.

The roof is slate tiled.

The majority of the joinery is wooden and single glazed.

Central heating is provided by a gas-fired boiler, and there is a fireplace.

Connected to mains drainage.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
