Property Description

Just a few minutes from Cordes-sur-Ciel, in the heart of the prestigious Tarn Golden Triangle, this sumptuous 19th-century property embodies rustic elegance and the French art of living. Discreetly nestled in a lush green setting of nearly 5,000 sqm, it offers over 800 sqm of living space, blending the character of old materials with the refinement of careful restoration. Behind its white stone walls, the 290 sqm main building exudes a unique aura. Each room seems to tell a story: exposed beams, terracotta floors, and a period fireplace create a cozy, almost timeless atmosphere. The main living room is organized around an imposing stone fireplace, ideal for winter evenings. A separate family kitchen with authentic charm, a room dedicated to breakfasts for the guest rooms, and an office complete the ground floor. Upstairs, four spacious bedrooms with generous volumes invite you to relax, each bathed in natural light, with views of the gardens. A bathroom and two linen rooms complete this level. The estate naturally lends itself to hospitality, with five refined guest rooms spread across the outbuildings, featuring a shared living space (living room, kitchen, dining room) designed with a friendly but demanding spirit. Three independent gîtes, offering impeccable comfort, allow for immediate use: two two-bedroom apartments (68 sqm and 58 sqm), and a three-bedroom gîte of 100 sqm. On the reception side, a 76 sqm room with exposed stone wall and timber frame offers an ideal setting for private events or wellness stays. A large canopy dressed with net curtains allows for the organization of meals and receptions outdoors, with the surrounding nature as a backdrop. Outside, the landscaped garden unfolds around a beautiful heated swimming pool (5 x 10 m), a true haven of relaxation. Nearby, a charming dovecote typical of the region - with a silhouette as elegant as it is symbolic - awaits to be reinvented as an additional living space: an artist's studio, an unusual suite, a wellness area, or an office with a view? The possibilities are endless. In this place imbued with authenticity, every detail seems to suspend time. A rare living environment, ideal for a turnkey tourist activity. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
