Property Description

Located in the heart of Balma, in a quiet setting, this decidedly atypical house offers 204sqm of living space, built on a 537sqm plot. Designed to offer comfort, functionality, and aesthetics. From the entrance, the flow flows naturally into a beautiful living room where the volumes are optimized. Light generously flows through the space thanks to large openings opening directly onto the garden. The open kitchen, perfectly integrated, extends the reception area, creating a welcoming place for everyday life. The sleeping area consists of five bedrooms spread between the ground floor and the upper floor, allowing for a true separation of spaces and preserved privacy. A master bedroom, on the ground floor, has its own bathroom and dressing room. Bold color choices in the bathrooms and bedrooms bring a strong identity to each volume, without ever weighing down the overall effect. Outside, a private, wooded garden features a swimming pool elegantly integrated into the vegetation. A wooden deck surrounds the pool, providing an ideal relaxation area for sunny days. The property also benefits from several additional spaces that can be used as an office, dressing room, or leisure area depending on needs. A garage completes the property. The finishes are meticulous, the materials are tastefully chosen, and the whole exudes a warm and contemporary atmosphere. This house will appeal to families seeking peace and comfort, as well as lovers of unique places wishing to settle in a neat and confidential setting, close to amenities. Balma Church and metro line A are 5 minutes away. Access to the ring road and highway is 5 minutes away. Close to schools, middle schools, and high schools. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
